

CITIZEN AND OPERATOR FORMS

Two-page interactive records. One bounded service per form. Complete fields in a PDF reader that supports AcroForms, then save your own copy.

REQUESTER AND SCOPE / EVIDENCE AND ACCOUNTABLE HANDOFF

These forms belong to a fictional future government. They do not create a legal application. Contact roles use reserved .example routing identifiers. Use the connected HTML service pages for full procedures and exception routes.

MOVE TO ANOTHER WORLD

Eligible requester: A resident moving between recognised regional registers, or their authorised caregiver or advocate. Receiving civic offices coordinate recognition; an operator cannot consent on the resident's behalf.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: A change of region must not create a birthplace caste

How this safeguard will be satisfied

Language / accessible format / advocacy needs

MOVE TO ANOTHER WORLD

Identity record / record reference

Destination residency basis / record reference

Benefit transfer consent / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Establish the service need / CIV.02.03

02 / Recover and verify the record / CIV

03 / Agree the receiving service / TER

04 / Protect continuity and consent / LAB

05 / Issue the personal determination / CIV

06 / Correct, review or transfer / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REGISTER A BIRTH IN A HABITAT

Eligible requester: A caregiver, authorised birth-record custodian or civic representative registering a child born in a habitat. Clinical confirmation is shared only for the civic recognition purpose.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: A change of region must not create a birthplace caste

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REGISTER A BIRTH IN A HABITAT

Birth record / record reference

Caregiver identities / record reference

Habitat registry reference / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Establish the service need / CIV.01.03

02 / Recover and verify the record / CIV

03 / Agree the receiving service / HLT

04 / Protect continuity and consent / EQ

05 / Issue the personal determination / CIV

06 / Correct, review or transfer / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REUNITE A FAMILY ACROSS REGIONS

Eligible requester: Family members, caregivers or authorised representatives seeking a coordinated receiving arrangement. Each person’s consent, representation and care needs remain individually assessable.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: A change of region must not create a birthplace caste

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REUNITE A FAMILY ACROSS REGIONS

Family relationship evidence / record reference

Travel arrangements / record reference

Care and housing plan / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Establish the service need / CIV

02 / Recover and verify the record / CIV

03 / Agree the receiving service / SOC

04 / Protect continuity and consent / JUS

05 / Issue the personal determination / CIV

06 / Correct, review or transfer / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REPLACE A LOST TRAVEL CREDENTIAL

Eligible requester: A person who lost a travel credential, or an authorised advocate seeking a recoverable interim route. Witness or register evidence may support an agreed alternative to missing conventional documents.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: A change of region must not create a birthplace caste

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REPLACE A LOST TRAVEL CREDENTIAL

Identity recovery evidence / record reference

Loss statement / record reference

Current location record / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Establish the service need / CIV

02 / Recover and verify the record / CIV

03 / Agree the receiving service / CUS

04 / Protect continuity and consent / TER

05 / Issue the personal determination / CIV

06 / Correct, review or transfer / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

TRANSFER A PENSION OR BENEFIT

Eligible requester: A current beneficiary, caregiver or authorised representative transferring an existing pension or benefit between public administrations. The receiving office records continuity before institutions reconcile reimbursement.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Support must continue while institutions resolve reimbursement

How this safeguard will be satisfied

Language / accessible format / advocacy needs

TRANSFER A PENSION OR BENEFIT

Current benefit record / record reference

Destination region / record reference

Consent to transfer / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Establish the service need / SOC

02 / Recover and verify the record / SOC

03 / Agree the receiving service / CIV

04 / Protect continuity and consent / MON

05 / Issue the personal determination / SOC

06 / Correct, review or transfer / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REQUEST ESSENTIAL AIR OR WATER SUPPORT

Eligible requester: A resident, household or advocate facing a practical barrier to essential air or water. A debt dispute or lack of operator consent does not exclude a continuity request.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Support must continue while institutions resolve reimbursement

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REQUEST ESSENTIAL AIR OR WATER SUPPORT

Service location / record reference

Current access barrier / record reference

Household needs / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Establish the service need / SOC

02 / Recover and verify the record / SOC

03 / Agree the receiving service / WAT

04 / Protect continuity and consent / HLT

05 / Issue the personal determination / SOC

06 / Correct, review or transfer / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

APPLY FOR ACCESSIBLE PUBLIC HOUSING

Eligible requester: A person or household seeking public housing or a practical access adjustment, including authorised representatives. The application concerns needs and usable accommodation, not unrestricted clinical disclosure.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Property ownership cannot replace democratic representation

How this safeguard will be satisfied

Language / accessible format / advocacy needs

APPLY FOR ACCESSIBLE PUBLIC HOUSING

Residency record / record reference

Housing needs / record reference

Accessibility preferences / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Establish the service need / HAB

02 / Recover and verify the record / HAB

03 / Agree the receiving service / TER

04 / Protect continuity and consent / EQ

05 / Issue the personal determination / HAB

06 / Correct, review or transfer / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REPORT UNSAFE HABITAT CONDITIONS

Eligible requester: Residents, tenants, worker occupants, caregivers or their advocates reporting unsafe habitat conditions. Reporting is available independently of the structure owner or employer.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Property ownership cannot replace democratic representation

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REPORT UNSAFE HABITAT CONDITIONS

Habitat location / record reference

Condition evidence / record reference

Operator response record / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Establish the service need / HAB

02 / Recover and verify the record / HAB

03 / Agree the receiving service / INF

04 / Protect continuity and consent / LAB

05 / Issue the personal determination / HAB

06 / Correct, review or transfer / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

CHARTER A NEW HABITAT COMMUNITY

Eligible requester: An affected community, founding resident assembly, authorised representative or competent civic authority proposing a habitat charter. A private sponsor may provide asset evidence but cannot substitute for civic consent.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Coordination cannot silently transfer local legislative powers

How this safeguard will be satisfied

Language / accessible format / advocacy needs

CHARTER A NEW HABITAT COMMUNITY

Governance charter / record reference

Life-support assurance / record reference

Rescue and service compacts / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Identify the competent review route / TER

02 / Preserve the original record / TER

03 / Notify parties with appropriate confidentiality / GOV

04 / Obtain an independent finding / RSC

05 / Communicate reasons and remedies / TER

06 / Review the finding and preserve access / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

OBTAIN A PUBLIC WORKS REVIEW

Eligible requester: A public asset owner, competent operating team or community authority seeking a bounded engineering finding. Affected residents may ask for public explanations and accessible participation.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: An infrastructure permit must identify the repair and retirement owner

How this safeguard will be satisfied

Language / accessible format / advocacy needs

OBTAIN A PUBLIC WORKS REVIEW

Design package / record reference

Lifecycle cost / record reference

Maintenance commitment / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Locate the asset or route / INF

02 / Validate the operating envelope / INF

03 / Agree technical handoffs / ENV

04 / Test reserves and failure response / STA

05 / Issue the operating conditions / INF

06 / Maintain, suspend or retire / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

ARRANGE A CARE REFERRAL BETWEEN WORLDS

Eligible requester: A patient, caregiver or authorised advocate working with an accountable originating care team. Qualified receiving clinicians retain the clinical acceptance decision.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Only authorized clinicians see identifiable health records

How this safeguard will be satisfied

Language / accessible format / advocacy needs

ARRANGE A CARE REFERRAL BETWEEN WORLDS

Consent-based clinical summary / record reference

Referral basis / record reference

Care continuity plan / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Establish the service need / HLT

02 / Recover and verify the record / HLT

03 / Agree the receiving service / MOB

04 / Protect continuity and consent / SOC

05 / Issue the personal determination / HLT

06 / Correct, review or transfer / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

ACCESS ISOLATION AND MENTAL-HEALTH SUPPORT

Eligible requester: A person seeking isolation or mental-health support, or an authorised caregiver or advocate. Confidential assistance may begin without disclosure to an employer or habitat sponsor.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Only authorized clinicians see identifiable health records

How this safeguard will be satisfied

Language / accessible format / advocacy needs

ACCESS ISOLATION AND MENTAL-HEALTH SUPPORT

Support preferences / record reference

Contact method / record reference

Availability and privacy needs / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Establish the service need / HLT

02 / Recover and verify the record / HLT

03 / Agree the receiving service / SOC

04 / Protect continuity and consent / TER

05 / Issue the personal determination / HLT

06 / Correct, review or transfer / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REVIEW A NEW MEDICINE OR DEVICE

Eligible requester: A manufacturer, biomedical developer, accountable clinical sponsor or public health authority seeking review of a stated product use. Patients and advocates may submit relevant effects or access concerns through the receiving review.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Only authorized clinicians see identifiable health records

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REVIEW A NEW MEDICINE OR DEVICE

Clinical evidence / record reference

Safety evaluation / record reference

Manufacturing quality record / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Establish the service need / HLT

02 / Recover and verify the record / HLT

03 / Agree the receiving service / ETH

04 / Protect continuity and consent / BIO

05 / Issue the personal determination / HLT

06 / Correct, review or transfer / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REGISTER A LONG-DURATION HUMAN STUDY

Eligible requester: An accountable research institution or public study sponsor with a qualified care interface and independent ethics review. Participants and representatives retain a separate route for consent and welfare concerns.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Long-lived projects must name the people and institutions bearing future burdens

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REGISTER A LONG-DURATION HUMAN STUDY

Protocol and consent / record reference

Risk and benefit analysis / record reference

Independent participant support / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Define the bounded proposal / ETH

02 / Review methods and raw evidence / ETH

03 / Obtain independent specialist findings / HLT

04 / Resolve protection and future burdens / EQ

05 / Issue a conditional research decision / ETH

06 / Monitor stop conditions and review / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

ENROLL IN A TRANSIT CLASSROOM

Eligible requester: Learners, caregivers and authorised educators coordinating learning during transit. The originating and receiving education offices agree record custody and accessible participation.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Recognition must consider practical competence and remote participation

How this safeguard will be satisfied

Language / accessible format / advocacy needs

ENROLL IN A TRANSIT CLASSROOM

Learner record / record reference

Travel itinerary / record reference

Learning access needs / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Establish the service need / EDU

02 / Recover and verify the record / EDU

03 / Agree the receiving service / CIV

04 / Protect continuity and consent / EQ

05 / Issue the personal determination / EDU

06 / Correct, review or transfer / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

RECOGNIZE A DEGREE OR QUALIFICATION

Eligible requester: A learner, professional or authorised education representative presenting assessable learning and competence. Recognition is separate from any sector-specific professional licence.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Recognition must consider practical competence and remote participation

How this safeguard will be satisfied

Language / accessible format / advocacy needs

RECOGNIZE A DEGREE OR QUALIFICATION

Qualification evidence / record reference

Issuing institution / record reference

Requested professional scope / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Establish the service need / EDU.02.02

02 / Recover and verify the record / EDU

03 / Agree the receiving service / LAB

04 / Protect continuity and consent / STA

05 / Issue the personal determination / EDU

06 / Correct, review or transfer / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

ENTER A SPACECRAFT APPRENTICESHIP

Eligible requester: A prospective apprentice, authorised educator or training provider with a named supervisor and operating scope. Worker protection and recognised learning are assessed together.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Recognition must consider practical competence and remote participation

How this safeguard will be satisfied

Language / accessible format / advocacy needs

ENTER A SPACECRAFT APPRENTICESHIP

Prior learning / record reference

Host training agreement / record reference

Safety training record / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Establish the service need / EDU

02 / Recover and verify the record / EDU

03 / Agree the receiving service / LAB

04 / Protect continuity and consent / MOB

05 / Issue the personal determination / EDU

06 / Correct, review or transfer / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REPORT UNSAFE WORKING CONDITIONS

Eligible requester: A worker, crew member, recognised representative or advocate reporting a workplace hazard. Employer permission is unnecessary; confidential intake and retaliation concerns have a named receiving route.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Worker exit and essential air access cannot depend on employer consent

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REPORT UNSAFE WORKING CONDITIONS

Worksite and hazard / record reference

Employment evidence / record reference

Available exposure records / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Establish the service need / LAB.02.01

02 / Recover and verify the record / LAB

03 / Agree the receiving service / HLT

04 / Protect continuity and consent / OMB

05 / Issue the personal determination / LAB

06 / Correct, review or transfer / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

RESOLVE WITHHELD WAGES

Eligible requester: A worker or authorised representative contesting withheld wages, including workers in subcontracting or cooperative arrangements. Essential access and civic exit remain separate from a private payment dispute.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Worker exit and essential air access cannot depend on employer consent

How this safeguard will be satisfied

Language / accessible format / advocacy needs

RESOLVE WITHHELD WAGES

Work contract / record reference

Time and pay records / record reference

Employer correspondence / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Establish the service need / LAB

02 / Recover and verify the record / LAB

03 / Agree the receiving service / JUS

04 / Protect continuity and consent / MON

05 / Issue the personal determination / LAB

06 / Correct, review or transfer / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

FORM A WORKER COOPERATIVE

Eligible requester: Founding members, a worker assembly or its authorised cooperative representative. A public enterprise officer may coordinate formation evidence; members retain control of the governance proposal.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Public support cannot require an exclusive territorial concession

How this safeguard will be satisfied

Language / accessible format / advocacy needs

FORM A WORKER COOPERATIVE

Member charter / record reference

Business plan / record reference

Collective governance rules / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

- 01 / Classify the transaction / ECO
- 02 / Trace custody and supporting evidence / ECO
- 03 / Obtain the competent clearance / LAB
- 04 / Resolve restrictions and conflicts / TER
- 05 / Issue the commercial determination / ECO
- 06 / Record compliance and remedies / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

SHIP GOODS FROM EARTH TO MARS

Eligible requester: An accountable shipper, carrier, cooperative exporter or authorised public buyer coordinating a specific Earth–Mars consignment.
Receiving gateways and cargo custodians have distinct acceptance duties.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Market access is distinct from cargo clearance

How this safeguard will be satisfied

Language / accessible format / advocacy needs

SHIP GOODS FROM EARTH TO MARS

Cargo description / record reference

Trade agreement / record reference

Transport and destination record / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Classify the transaction / TRA.02.01

02 / Trace custody and supporting evidence / TRA

05 / Issue the operating conditions / ENE

06 / Maintain, suspend or retire / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REVIEW A POWER-BEAM CORRIDOR

Eligible requester: A beam-system operator or competent public sponsor proposing a bounded corridor and receiving interface. Generation, navigation constraints and receiving-grid acceptance remain separate approvals.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Energy allocation requires receiving-community consent

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REVIEW A POWER-BEAM CORRIDOR

Beam geometry / record reference

Receiver safety / record reference

Exclusion and fail-safe plan / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Locate the asset or route / ENE

02 / Validate the operating envelope / ENE

03 / Agree technical handoffs / MOB

04 / Test reserves and failure response / RSC

05 / Issue the operating conditions / ENE

06 / Maintain, suspend or retire / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REQUEST A WATER ALLOCATION

Eligible requester: A utility authority, habitat community, cooperative producer or authorised operator seeking a defined allocation. Residents may raise essential-access concerns through the linked support service.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Essential access precedes discretionary industrial use

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REQUEST A WATER ALLOCATION

Reserve accounts / record reference

Demand plan / record reference

Quality evidence / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Locate the asset or route / WAT.01.03

02 / Validate the operating envelope / WAT

03 / Agree technical handoffs / AGR

04 / Test reserves and failure response / TER

05 / Issue the operating conditions / WAT

06 / Maintain, suspend or retire / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

LICENSE ASTEROID EXTRACTION ACTIVITY

Eligible requester: An accountable extraction operator or cooperative with named worker, protection and closure interfaces. Resource custody does not grant territorial sovereignty or unrestricted access.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Resource custody does not confer sovereignty over a celestial body

How this safeguard will be satisfied

Language / accessible format / advocacy needs

LICENSE ASTEROID EXTRACTION ACTIVITY

Extraction plan / record reference

Dust and impact controls / record reference

Closure finance / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Locate the asset or route / RES.01.01

02 / Validate the operating envelope / RES

03 / Agree technical handoffs / BEL

04 / Test reserves and failure response / BIO

05 / Issue the operating conditions / RES

06 / Maintain, suspend or retire / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

CERTIFY A MATERIAL RECOVERY LOOP

Eligible requester: A recovery operator, material cooperative, public asset custodian or engineering sponsor presenting an actual reuse chain.
Receiving users and reference custodians confirm the intended supported scope.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Resource custody does not confer sovereignty over a celestial body

How this safeguard will be satisfied

Language / accessible format / advocacy needs

CERTIFY A MATERIAL RECOVERY LOOP

Material balance / record reference

Safety tests / record reference

Recycling and waste plan / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Locate the asset or route / RES

02 / Validate the operating envelope / RES

03 / Agree technical handoffs / STA

04 / Test reserves and failure response / ENV

05 / Issue the operating conditions / RES

06 / Maintain, suspend or retire / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

LAUNCH A HABITAT FOOD COOPERATIVE

Eligible requester: A habitat food cooperative, public nutrition service or accountable producer with biological input custody and an accepted receiving utility interface.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Closed habitats require traceable biosecurity at every input

How this safeguard will be satisfied

Language / accessible format / advocacy needs

LAUNCH A HABITAT FOOD COOPERATIVE

Production and nutrient plan / record reference

Food safety evidence / record reference

Biological containment / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Locate the asset or route / AGR

02 / Validate the operating envelope / AGR

03 / Agree technical handoffs / WAT

04 / Test reserves and failure response / BIO

05 / Issue the operating conditions / AGR

06 / Maintain, suspend or retire / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

APPLY FOR AN OPEN SCIENCE GRANT

Eligible requester: An accountable research team, university, laboratory or eligible public-interest organisation proposing work within the published scientific programme. Evaluation retains method, conflicts and public stewardship.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Null results and uncertainty belong in the public scientific record

How this safeguard will be satisfied

Language / accessible format / advocacy needs

APPLY FOR AN OPEN SCIENCE GRANT

Research proposal / record reference

Peer-review information / record reference

Data and access plan / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Define the bounded proposal / SCI

02 / Review methods and raw evidence / SCI

03 / Obtain independent specialist findings / EDU

04 / Resolve protection and future burdens / ARC

05 / Issue a conditional research decision / SCI

06 / Monitor stop conditions and review / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

ACCESS AN OCEAN-WORLD RESEARCH SITE

Eligible requester: A qualified research organisation or authorised mission custodian seeking bounded protected-site access. Access recognition alone does not authorise penetration, release or contamination.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Research access does not authorize irreversible release

How this safeguard will be satisfied

Language / accessible format / advocacy needs

ACCESS AN OCEAN-WORLD RESEARCH SITE

Mission design / record reference

Contamination assessment / record reference

Protected-site access basis / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Define the bounded proposal / BIO

02 / Review methods and raw evidence / BIO

03 / Obtain independent specialist findings / SCI

04 / Resolve protection and future burdens / SAT

05 / Issue a conditional research decision / BIO

06 / Monitor stop conditions and review / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

RETURN A EXTRATERRESTRIAL SAMPLE

Eligible requester: An accountable mission, laboratory or public sample custodian with independently assessable containment and an accepted receiving facility. Every custody transfer preserves the supported protection scope.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Research access does not authorize irreversible release

How this safeguard will be satisfied

Language / accessible format / advocacy needs

RETURN A EXTRATERRESTRIAL SAMPLE

Sample provenance / record reference

Containment tests / record reference

Custody and receiving facility / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

- 01 / Define the bounded proposal / BIO
- 02 / Review methods and raw evidence / BIO
- 03 / Obtain independent specialist findings / CUS
- 04 / Resolve protection and future burdens / SCI
- 05 / Issue a conditional research decision / BIO
- 06 / Monitor stop conditions and review / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

PROPOSE A MARS ENGINEERING TRIAL

Eligible requester: A qualified engineering or research sponsor proposing a bounded Mars trial with independent protection and future-generation review. Settlement or commercial approvals are separate instruments.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: No engineering sponsor may approve its own planetary protection clearance

How this safeguard will be satisfied

Language / accessible format / advocacy needs

PROPOSE A MARS ENGINEERING TRIAL

Mass and energy budget / record reference

Reversibility and stopping criteria / record reference

Community consent plan / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Define the bounded proposal / TERF.04.02

02 / Review methods and raw evidence / TERF

03 / Obtain independent specialist findings / MAR

04 / Resolve protection and future burdens / ETH

05 / Issue a conditional research decision / TERF

06 / Monitor stop conditions and review / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

RESERVE AN OBSERVATORY INSTRUMENT

Eligible requester: A research team, observatory partner or eligible public scientific organisation seeking a defined instrument allocation under published technical and scientific criteria.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Null results and uncertainty belong in the public scientific record

How this safeguard will be satisfied

Language / accessible format / advocacy needs

RESERVE AN OBSERVATORY INSTRUMENT

Observation proposal / record reference

Instrument needs / record reference

Data release plan / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Define the bounded proposal / SCI

02 / Review methods and raw evidence / SCI

03 / Obtain independent specialist findings / STA

04 / Resolve protection and future burdens / DIG

05 / Issue a conditional research decision / SCI

06 / Monitor stop conditions and review / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REGISTER A DEEP-SPACE SURVEY MISSION

Eligible requester: An accountable survey institution, mission sponsor or cooperative research operator with named crew, receiving and succession duties. Local delegations and lost-link assumptions are part of the mission record.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Null results and uncertainty belong in the public scientific record

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REGISTER A DEEP-SPACE SURVEY MISSION

Mission route / record reference

Autonomy and communications / record reference

Rescue and continuity limits / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

- 01 / Define the bounded proposal / SCI
- 02 / Review methods and raw evidence / SCI
- 03 / Obtain independent specialist findings / CMT
- 04 / Resolve protection and future burdens / RSC
- 05 / Issue a conditional research decision / SCI
- 06 / Monitor stop conditions and review / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REQUEST INDEPENDENT AI REVIEW

Eligible requester: An affected person, authorised advocate, civic organisation, public operator or accountable deployer seeking independent review of a consequential AI system. Access does not depend on the deployer's permission.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: A human review route must remain available for consequential decisions

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REQUEST INDEPENDENT AI REVIEW

System documentation / record reference

Decision or failure evidence / record reference

Affected-person statement / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Identify the competent review route / AIR.02.02

02 / Preserve the original record / AIR

03 / Notify parties with appropriate confidentiality / DRA

04 / Obtain an independent finding / STA

05 / Communicate reasons and remedies / AIR

06 / Review the finding and preserve access / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

CORRECT A PERSONAL CIVIC RECORD

Eligible requester: The person whose civic record is affected, or their authorised representative. Originating and receiving custodians participate without silently overwriting the disputed source.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard:

How this safeguard will be satisfied

Language / accessible format / advocacy needs

CORRECT A PERSONAL CIVIC RECORD

Record reference / record reference

Correction evidence / record reference

Identity verification basis / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Identify the competent review route / DRA

02 / Preserve the original record / DRA

03 / Notify parties with appropriate confidentiality / CIV

04 / Obtain an independent finding / JUS

05 / Communicate reasons and remedies / DRA

06 / Review the finding and preserve access / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

OBTAIN LEGAL AID REMOTELY

Eligible requester: A person or authorised representative seeking legal help, including an affected worker or household. Organisations and public bodies may seek a competence referral within the applicable aid scope.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Every contested restriction needs a reasoned review route

How this safeguard will be satisfied

Language / accessible format / advocacy needs

OBTAIN LEGAL AID REMOTELY

Legal issue summary / record reference

Jurisdiction record / record reference

Representation and access needs / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Identify the competent review route / JUS.01.01

02 / Preserve the original record / JUS

03 / Notify parties with appropriate confidentiality / EQ

04 / Obtain an independent finding / CRT

05 / Communicate reasons and remedies / JUS

06 / Review the finding and preserve access / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REPORT DISCRIMINATION OR AN ACCESS BARRIER

Eligible requester: A person, representative or affected organisation encountering discrimination or a practical public-service barrier. The requested adjustment is considered before the underlying case is closed as incomplete.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: An accessible alternative is part of the service, not a discretionary favor

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REPORT DISCRIMINATION OR AN ACCESS BARRIER

Incident or barrier description / record reference

Service location / record reference

Requested accommodation / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Establish the service need / EQ

02 / Recover and verify the record / EQ

03 / Agree the receiving service / OMB

04 / Protect continuity and consent / TER

05 / Issue the personal determination / EQ

06 / Correct, review or transfer / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

PETITION THE UNION CHAMBERS

Eligible requester: People, community groups, public-interest organisations or recognised representative bodies submitting an issue within the chambers' competence. Petition intake does not replace an individual legal appeal.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard:

How this safeguard will be satisfied

Language / accessible format / advocacy needs

PETITION THE UNION CHAMBERS

Proposal text / record reference

Public purpose / record reference

Supporting community records / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Identify the competent review route / PET

02 / Preserve the original record / PET

03 / Notify parties with appropriate confidentiality / PAR

04 / Obtain an independent finding / GOV

05 / Communicate reasons and remedies / PET

06 / Review the finding and preserve access / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

TRANSFER VOTER PARTICIPATION

Eligible requester: A voter, authorised representative or receiving electoral registrar coordinating participation after a move. Civic transfer must not cause a silent gap or duplicate participation.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard:

How this safeguard will be satisfied

Language / accessible format / advocacy needs

TRANSFER VOTER PARTICIPATION

Civic status / record reference

Constituency basis / record reference

Remote access needs / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Identify the competent review route / ELE

02 / Preserve the original record / ELE

03 / Notify parties with appropriate confidentiality / CIV

04 / Obtain an independent finding / GOV

05 / Communicate reasons and remedies / ELE

06 / Review the finding and preserve access / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REQUEST PUBLIC RECORDS

Eligible requester: Any person, company, cooperative, civic or research organisation, or public body identifying a held public record or sufficiently clear subject. Protected content may require a reasoned redacted version.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: A closed institution still owes custody and access duties

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REQUEST PUBLIC RECORDS

Record description / record reference

Date and institution reference / record reference

Preferred access format / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Identify the competent review route / ARC

02 / Preserve the original record / ARC

03 / Notify parties with appropriate confidentiality / DRA

04 / Obtain an independent finding / GOV

05 / Communicate reasons and remedies / ARC

06 / Review the finding and preserve access / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

FUND A COMMUNITY CULTURAL PROJECT

Eligible requester: Community cultural groups, eligible creators, custodial organisations, cooperatives or public cultural bodies proposing a project with meaningful community participation.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Community custody is not displaced by commercial reproduction

How this safeguard will be satisfied

Language / accessible format / advocacy needs

FUND A COMMUNITY CULTURAL PROJECT

Creative proposal / record reference

Community consent / record reference

Access and budget plan / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Identify the competent review route / CUL

02 / Preserve the original record / CUL

03 / Notify parties with appropriate confidentiality / TER

04 / Obtain an independent finding / EQ

05 / Communicate reasons and remedies / CUL

06 / Review the finding and preserve access / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

PROTECT AN EARLY-SETTLEMENT HERITAGE SITE

Eligible requester: An affected community, cultural custodian, civic organisation, owner or public heritage authority proposing protection with current users and utility obligations identified.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Community custody is not displaced by commercial reproduction

How this safeguard will be satisfied

Language / accessible format / advocacy needs

PROTECT AN EARLY-SETTLEMENT HERITAGE SITE

Site provenance / record reference

Custodian consent / record reference

Conservation plan / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Identify the competent review route / CUL

02 / Preserve the original record / CUL

03 / Notify parties with appropriate confidentiality / ENV

04 / Obtain an independent finding / TER

05 / Communicate reasons and remedies / CUL

06 / Review the finding and preserve access / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

ORGANIZE A LOW-GRAVITY SPORTS EVENT

Eligible requester: A recognised event organiser, community association, cooperative venue or competent public sport body. Participants and advocates may raise category, welfare or accessibility concerns.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Comparable participation requires transparent gravity-class rules

How this safeguard will be satisfied

Language / accessible format / advocacy needs

ORGANIZE A LOW-GRAVITY SPORTS EVENT

Competition and gravity rules / record reference

Venue safety / record reference

Participant welfare plan / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Identify the competent review route / SPT

02 / Preserve the original record / SPT

03 / Notify parties with appropriate confidentiality / HLT

04 / Obtain an independent finding / EQ

05 / Communicate reasons and remedies / SPT

06 / Review the finding and preserve access / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

CREATE A PUBLIC HABITAT LIBRARY

Eligible requester: A community, library association, educational institution or public knowledge authority with a maintainable public-access and custody plan.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: A closed institution still owes custody and access duties

How this safeguard will be satisfied

Language / accessible format / advocacy needs

CREATE A PUBLIC HABITAT LIBRARY

Community access plan / record reference

Collection and preservation / record reference

Local operating commitment / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Identify the competent review route / ARC

02 / Preserve the original record / ARC

03 / Notify parties with appropriate confidentiality / EDU

04 / Obtain an independent finding / TER

05 / Communicate reasons and remedies / ARC

06 / Review the finding and preserve access / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

PUBLISH AN INDEPENDENT PUBLIC-MEDIA SERVICE

Eligible requester: An independent public-media organisation, civic cooperative or accountable public-interest provider proposing a service with editorial safeguards, accessible formats and a correction record.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Public information must remain separate from political campaigning

How this safeguard will be satisfied

Language / accessible format / advocacy needs

PUBLISH AN INDEPENDENT PUBLIC-MEDIA SERVICE

Editorial charter / record reference

Access and funding plan / record reference

Correction and privacy rules / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Identify the competent review route / MED

02 / Preserve the original record / MED

03 / Notify parties with appropriate confidentiality / DIG

04 / Obtain an independent finding / CUL

05 / Communicate reasons and remedies / MED

06 / Review the finding and preserve access / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

PLAN A CISLUNAR RESCUE EXERCISE

Eligible requester: A competent rescue authority, cislunar operating partner or authorised exercise organiser with accepted participants, defined simulation boundaries and explicit command handoffs.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Mutual aid agreements do not replace the competent incident commander

How this safeguard will be satisfied

Language / accessible format / advocacy needs

PLAN A CISELUNAR RESCUE EXERCISE

Exercise scenario / record reference

Participating operators / record reference

Local incident command plan / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Locate the asset or route / EMO.02

02 / Validate the operating envelope / RSC

03 / Agree technical handoffs / EOC

04 / Test reserves and failure response / MOB

05 / Issue the operating conditions / RSC

06 / Maintain, suspend or retire / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

AUDIT A HABITAT CONTINUITY PLAN

Eligible requester: A habitat authority, essential-service operator, resident community or public continuity office requesting a test of reserves, refuge and receiving responsibilities.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Mutual aid agreements do not replace the competent incident commander

How this safeguard will be satisfied

Language / accessible format / advocacy needs

AUDIT A HABITAT CONTINUITY PLAN

Failure scenarios / record reference

Essential reserve evidence / record reference

Recovery and communications plan / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Locate the asset or route / RSC

02 / Validate the operating envelope / RSC

03 / Agree technical handoffs / HAB

04 / Test reserves and failure response / DIG

05 / Issue the operating conditions / RSC

06 / Maintain, suspend or retire / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REPORT SUSPECTED LIFE-SUPPORT SABOTAGE

Eligible requester: A person, worker, representative, operator or public authority reporting suspected life-support interference. Source evidence is protected and an allegation is kept distinct from attributed responsibility.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Investigative powers remain proportionate and independently reviewable; a report is not a conviction

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REPORT SUSPECTED LIFE-SUPPORT SABOTAGE

Incident record / record reference

Lawfully obtained evidence / record reference

Immediate safety actions / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Locate the asset or route / SAF

02 / Validate the operating envelope / SAF

03 / Agree technical handoffs / JUS

04 / Test reserves and failure response / DRA

05 / Issue the operating conditions / SAF

06 / Maintain, suspend or retire / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REGISTER A PEACEFUL EXTERNAL SETTLEMENT AGREEMENT

Eligible requester: An authorised public negotiating body, recognised settlement council or competent external-relations representative with a defined peaceful agreement and implementation scope.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Contact and recognition are distinct from accession or a binding treaty

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REGISTER A PEACEFUL EXTERNAL SETTLEMENT AGREEMENT

Counterpart charter / record reference

Negotiating mandate / record reference

Proposed obligations / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Identify the competent review route / DIP

02 / Preserve the original record / DIP

03 / Notify parties with appropriate confidentiality / COU

04 / Obtain an independent finding / TRA

05 / Communicate reasons and remedies / DIP

06 / Review the finding and preserve access / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

SEEK UNION ASSOCIATION OR ACCESSION

Eligible requester: A prospective community or regional council authorised to explore association or accession, with a meaningful local consent route. Preliminary contact does not constitute membership.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Contact and recognition are distinct from accession or a binding treaty

How this safeguard will be satisfied

Language / accessible format / advocacy needs

SEEK UNION ASSOCIATION OR ACCESSION

Local charter / record reference

Resident consent / record reference

Service and interoperability commitments / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Identify the competent review route / DIP

02 / Preserve the original record / DIP

03 / Notify parties with appropriate confidentiality / TER

04 / Obtain an independent finding / CIV

05 / Communicate reasons and remedies / DIP

06 / Review the finding and preserve access / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

CHALLENGE MISUSE OF PUBLIC FUNDS

Eligible requester: A person, civic organisation, supplier, public auditor or authorised representative reporting evidence of possible misuse of public funds. The independent audit route remains distinct from procurement evaluation.

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard:

How this safeguard will be satisfied

Language / accessible format / advocacy needs
