RESOLVE A PLUTO? CHARON UTILITY COMPACT

Eligible requester: Community councils

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Each council ratifies its obligations separately; shared infrastructure does not merge citizenship records automatically.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

RESOLVE A PLUTO[?]CHARON UTILITY COMPACT

Shared infrastructure map / record reference

Cost allocation statement / record reference

Dissent and mediation record / record reference

Missing evidence / agreed alternative / institutional conflict

ACCREDIT A TRAVELLING CIVIC OFFICE

Eligible requester: Mobile public service teams

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: A travelling office may help reconcile a record; it cannot silently overwrite an independent local register.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

ACCREDIT A TRAVELLING CIVIC OFFICE

Service itinerary / record reference

Credential custody / record reference

Offline records reconciliation / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

Eligible requester: Itinerant mission cooperatives

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Target uncertainty is recorded explicitly. A recovery plan must be revised when navigation confidence falls below its own declared limit.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REGISTER A MOBILE ICE-RECOVERY MISSION

Target ephemeris reference / record reference

Recovery mass ledger / record reference

Crew refuge agreement / record reference

Missing evidence / agreed alternative / institutional conflict
