

INSTITUTIONAL COOPERATION AND HANDOFFS

Two-page interactive records. One bounded service per form. Complete fields in a PDF reader that supports AcroForms, then save your own copy.

REQUESTER AND SCOPE / EVIDENCE AND ACCOUNTABLE HANDOFF

These forms belong to a fictional future government. They do not create a legal application. Contact roles use reserved .example routing identifiers. Use the connected HTML service pages for full procedures and exception routes.

DELEGATE SERVICES DURING LINK ISOLATION

Eligible requester: Local government

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

DELEGATE SERVICES DURING LINK ISOLATION

Competence schedule / record reference

Expiry trigger / record reference

Mirrored decision log / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Confirm each institution's competence / GOV

02 / Prepare the receiving evidence package / GOV

03 / Agree responsibilities at the handoff / DIG

04 / Resolve conflicts and protected duties / ETH

05 / Countersign a bounded cooperation record / GOV

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

TRANSFER PROTECTED RESEARCH CUSTODY

Eligible requester: Protected-site custodian

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

TRANSFER PROTECTED RESEARCH CUSTODY

Containment status / record reference

Receiving scope / record reference

Custody signature record / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Confirm each institution's competence / BIO

02 / Prepare the receiving evidence package / BIO

03 / Agree responsibilities at the handoff / SCI

04 / Resolve conflicts and protected duties / ARC

05 / Countersign a bounded cooperation record / BIO

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REQUEST A CROSS-REGION MEDICAL SURGE

Eligible requester: Health service

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REQUEST A CROSS-REGION MEDICAL SURGE

Clinical capacity gap / record reference

Receiving care agreement / record reference

Transport constraints / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

- 01 / Confirm each institution's competence / HLT
- 02 / Prepare the receiving evidence package / HLT
- 03 / Agree responsibilities at the handoff / RSC
- 04 / Resolve conflicts and protected duties / MOB
- 05 / Countersign a bounded cooperation record / HLT
- 06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

AUTHORIZE EMERGENCY UTILITY MUTUAL AID

Eligible requester: Utility authority

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

AUTHORIZE EMERGENCY UTILITY MUTUAL AID

Reserve gap / record reference

Available donor capacity / record reference

Essential access priority / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Confirm each institution's competence / WAT

02 / Prepare the receiving evidence package / WAT

03 / Agree responsibilities at the handoff / ENE

04 / Resolve conflicts and protected duties / HAB

05 / Countersign a bounded cooperation record / WAT

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

RELEASE AN EQUALIZATION GRANT

Eligible requester: Regional administration

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

RELEASE AN EQUALIZATION GRANT

Needs finding / record reference

Appropriation line / record reference

Audit access covenant / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Confirm each institution's competence / FIN

02 / Prepare the receiving evidence package / FIN

03 / Agree responsibilities at the handoff / TER

04 / Resolve conflicts and protected duties / AUD

05 / Countersign a bounded cooperation record / FIN

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REFER A MONOPOLISTIC GATEWAY

Eligible requester: Market regulator

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REFER A MONOPOLISTIC GATEWAY

Access restriction / record reference

Market evidence / record reference

Interim service protections / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Confirm each institution's competence / COM

02 / Prepare the receiving evidence package / COM

03 / Agree responsibilities at the handoff / TRA

04 / Resolve conflicts and protected duties / JUS

05 / Countersign a bounded cooperation record / COM

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

PUBLISH A SHARED ENGINEERING STANDARD

Eligible requester: Standards body

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

PUBLISH A SHARED ENGINEERING STANDARD

Reference method / record reference

Independent reproduction / record reference

Public objections / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Confirm each institution's competence / STA

02 / Prepare the receiving evidence package / STA

03 / Agree responsibilities at the handoff / INF

04 / Resolve conflicts and protected duties / SAF

05 / Countersign a bounded cooperation record / STA

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

RECONCILE DISCONNECTED CIVIC REGISTERS

Eligible requester: Civic registrar

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

RECONCILE DISCONNECTED CIVIC REGISTERS

Record provenance / record reference

Conflicting entries / record reference

Resident correction consent / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Confirm each institution's competence / DIG

02 / Prepare the receiving evidence package / DIG

03 / Agree responsibilities at the handoff / CIV

04 / Resolve conflicts and protected duties / DRA

05 / Countersign a bounded cooperation record / DIG

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

COORDINATE A JOINT RESCUE EXERCISE

Eligible requester: Rescue authority

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

COORDINATE A JOINT RESCUE EXERCISE

Exercise boundary / record reference

Command handoff / record reference

Participant consent / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Confirm each institution's competence / RSC

02 / Prepare the receiving evidence package / RSC

03 / Agree responsibilities at the handoff / MOB

04 / Resolve conflicts and protected duties / SAF

05 / Countersign a bounded cooperation record / RSC

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

TRANSFER A PUBLIC ARCHIVE ON CLOSURE

Eligible requester: Closing institution

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

TRANSFER A PUBLIC ARCHIVE ON CLOSURE

Retention schedule / record reference

Successor custodian / record reference

Access continuity plan / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Confirm each institution's competence / ARC

02 / Prepare the receiving evidence package / ARC

03 / Agree responsibilities at the handoff / GOV

04 / Resolve conflicts and protected duties / ETH

05 / Countersign a bounded cooperation record / ARC

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

LAUNCH AN INTER-WORLD PROCUREMENT

Eligible requester: Contracting authority

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

LAUNCH AN INTER-WORLD PROCUREMENT

Neutral specification / record reference

Appropriation reference / record reference

Evaluation panel conflicts / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Confirm each institution's competence / PROC

02 / Prepare the receiving evidence package / PROC

03 / Agree responsibilities at the handoff / FIN

04 / Resolve conflicts and protected duties / COM

05 / Countersign a bounded cooperation record / PROC

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REFER AN AI INCIDENT FOR INDEPENDENT AUDIT

Eligible requester: Public service operator

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REFER AN AI INCIDENT FOR INDEPENDENT AUDIT

Decision impact / record reference

Model version / record reference

Human review record / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Confirm each institution's competence / AIR

02 / Prepare the receiving evidence package / AIR

03 / Agree responsibilities at the handoff / DIG

04 / Resolve conflicts and protected duties / JUS

05 / Countersign a bounded cooperation record / AIR

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

COORDINATE A CARGO BIOSECURITY HOLD

Eligible requester: Gateway customs

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

COORDINATE A CARGO BIOSECURITY HOLD

Cargo custody / record reference

Containment state / record reference

Receiving quarantine scope / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Confirm each institution's competence / CUS

02 / Prepare the receiving evidence package / CUS

03 / Agree responsibilities at the handoff / BIO

04 / Resolve conflicts and protected duties / AGR

05 / Countersign a bounded cooperation record / CUS

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

SHARE AN EDUCATION EQUIVALENCE FRAMEWORK

Eligible requester: Education authority

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

SHARE AN EDUCATION EQUIVALENCE FRAMEWORK

Qualification outcomes / record reference

Assessment evidence / record reference

Accessible examination format / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Confirm each institution's competence / EDU

02 / Prepare the receiving evidence package / EDU

03 / Agree responsibilities at the handoff / LAB

04 / Resolve conflicts and protected duties / STA

05 / Countersign a bounded cooperation record / EDU

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REGISTER A SHARED INFRASTRUCTURE DEBT

Eligible requester: Public project sponsor

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REGISTER A SHARED INFRASTRUCTURE DEBT

Lifetime maintenance cost / record reference

Successor funding / record reference

Council approvals / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Confirm each institution's competence / FIN

02 / Prepare the receiving evidence package / FIN

03 / Agree responsibilities at the handoff / INF

05 / Countersign a bounded cooperation record / FIN

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

OPEN AN ENVIRONMENTAL CUMULATIVE REVIEW

Eligible requester: Environmental authority

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

OPEN AN ENVIRONMENTAL CUMULATIVE REVIEW

Project interaction map / record reference

Baseline uncertainty / record reference

Community submissions / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Confirm each institution's competence / ENV

02 / Prepare the receiving evidence package / ENV

03 / Agree responsibilities at the handoff / TERF

04 / Resolve conflicts and protected duties / BIO

05 / Countersign a bounded cooperation record / ENV

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

COORDINATE DISPLACED-RESIDENT RECEPTION

Eligible requester: Receiving community

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

COORDINATE DISPLACED-RESIDENT RECEPTION

Reception capacity / record reference

Household needs / record reference

Benefit continuity record / record reference

Missing evidence / agreed alternative / institutional conflict

☐

 I have authority to record these references and understand this is a fictional local record.

01 / Confirm each institution's competence / SOC

02 / Prepare the receiving evidence package / SOC

03 / Agree responsibilities at the handoff / CIV

04 / Resolve conflicts and protected duties / HAB

05 / Countersign a bounded cooperation record / SOC

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

PUBLISH A FEDERATED STATISTICAL RELEASE

Eligible requester: Regional statistics office

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

PUBLISH A FEDERATED STATISTICAL RELEASE

Sampling scope / record reference

Disclosure test / record reference

Revision protocol / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Confirm each institution's competence / STA

02 / Prepare the receiving evidence package / STA

03 / Agree responsibilities at the handoff / DIG

04 / Resolve conflicts and protected duties / TER

05 / Countersign a bounded cooperation record / STA

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REFER A WORKPLACE SAFETY DISPUTE

Eligible requester: Labor inspector

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REFER A WORKPLACE SAFETY DISPUTE

Inspection finding / record reference

Worker protection / record reference

Operator response / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Confirm each institution's competence / LAB

02 / Prepare the receiving evidence package / LAB

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

ESTABLISH A MULTILINGUAL SERVICE INTERFACE

Eligible requester: Public-facing office

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

ESTABLISH A MULTILINGUAL SERVICE INTERFACE

Language needs / record reference

Accessible formats / record reference

Independent usability findings / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Confirm each institution's competence / EQ

02 / Prepare the receiving evidence package / EQ

03 / Agree responsibilities at the handoff / MED

04 / Resolve conflicts and protected duties / EDU

05 / Countersign a bounded cooperation record / EQ

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

RATIFY A REGIONAL ACCESSION COMPACT

Eligible requester: Prospective member council

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

RATIFY A REGIONAL ACCESSION COMPACT

Local referendum / record reference

Competence allocation / record reference

Rights compatibility finding / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.

ACCOUNTABLE PROCESS

01 / Confirm each institution's competence / TER

02 / Prepare the receiving evidence package / TER

03 / Agree responsibilities at the handoff / GOV

04 / Resolve conflicts and protected duties / PAR

05 / Countersign a bounded cooperation record / TER

06 / Reconcile decisions and audit the handoff / OMB

Receiving office / competence accepted / receipt reference

Review: Union Ombudsman for service complaints; Union Court for contested legal decisions.

REFER SUSPECTED EXPENDITURE FRAUD

Eligible requester: Public auditor

Requester / institution / represented person

Acting capacity / authority to represent

Region / local jurisdiction

Reply route / receiving record reference

Precise scope of the requested determination

Location / route / receiving register

Place or service safeguard: Both the requesting and receiving offices record the scope of the handoff. A referral does not transfer legislative competence.

How this safeguard will be satisfied

Language / accessible format / advocacy needs

REFER SUSPECTED EXPENDITURE FRAUD

Transaction provenance / record reference

Preservation instruction / record reference

Conflict declaration / record reference

Missing evidence / agreed alternative / institutional conflict

☐ I have authority to record these references and understand this is a fictional local record.
